We are delighted that you are planning to report on the 2019 MercedesCup. We would like to point out that an accreditation pass is a revocable, non-transferable license, which is granted by e|motion sports gmbh germany. This license allows access to all courts and locations indicated on the pass.

All media representatives accredited for the MercedesCup 2018 must not participate in any sort of gambling or betting in connection with the fixtures or results of the matches played at the 2019 MercedesCup in any way.

Moreover, an accredited media representative must not download, transmit or publish any data, e.g. scores, stats, etc., at the venue during a 2019 MercedesCup match for betting or similar reasons.

The holder of an accreditation pass for the 2019 MercedesCup works at his own risk. e|motion sports gmbh germany has the right to revoke accreditation for specific reasons at any time.

The accreditation application deadline is Friday, 31 May 2019. Since the number of working desks in the media centre as well as the photographer slots at the centre court are limited, applications may be turned down for lack of space
